At Andalusia Health, your health is our passion. We go to work each day focused on the well-being of our patients – that’s why we’re here. We provide quality, evidenced-based care following the best practices one would expect of a hospital that’s highly rated by Leapfrog, has earned the prestigious “Baby-Friendly” designation, and holds certifications from The Joint Commission for chest pain, heart failure and sleep lab.

As this report details, that’s not all that we do. Along with being Andalusia’s preferred provider of healthcare services, we are also a large employer, taxpayer and charitable contributor. Our team members live, work and volunteer in this community. We consider it an honor to care for the friends, families and neighbors who come through our doors, and also take pride in the broader contributions our hospital makes to this area.

Of course, this couldn’t happen without your support. Thank you for choosing our hospital and for allowing us to be your partners in better health and a better Andalusia.

Sincerely,  
Vickie Demers, CEO  
Andalusia Health

## 2023 Success Spotlight

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. In 2023, we added 28 providers in Emergency Medicine, Family Medicine, Internal Medicine, Obstetrics, Radiology, and Telemedicine in several specialties.

By continually investing in our facilities, we’re helping to ensure that we best meet our community’s healthcare needs. In 2023, we spent approximately \$740,000 in capital improvements, including new ventilators, patient monitoring systems, ultrasound equipment, infant bassinets, and sleep lab technology, as well as various physical plant improvements and repairs.

We strive to create an environment where talent is recognized, job satisfaction is valued, and our employees can effectively use their skills to provide high-quality care and service.

In 2023, we provided more than \$8 million in services to those in need of healthcare but without the means to pay.

We are proud to be a leader in the Andalusia area, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
